

Maintaining clear vision day or night!

DUAL VIEW 7" CAMERA KIT

The Maxi Vision® Dual View camera kit offers machine operators a new perspective when driving and operating equipment. The dual purpose unit is a parking and driving view camera rolled into one.

Paired with the Maxi Vision® 7" Commercial Monitor, it offers a cost effective, multi-purpose, solution to facilitate rear vision requirements. Robust in design, this kit is ideally suited to the industrial market place; providing a simple plug and play design for simple installation.

Widen your view towards safety today!
