---

Thank you for visiting [rct-global.com](https://rct-global.com) (“**this website**”). We appreciate your interest in Remote Control Technologies Pty Ltd (**RCT**), ABN: 19 009 343 195, and/or the affiliates forming part of the same corporate group (collectively referred to as “**RCT**”, “**we**”, “**us**” and “**our**”).

RCT cares about your privacy and want you to feel safe when using this website. This Cookie Notice is part of our Privacy Notice. Our use of cookies may include processing of your personal data and we therefore recommend that you read our Privacy Policy, which can be found here <https://rct-global.com/about/legal/>.

## 1. Introduction

This website uses cookies. Below, you will find further information on:

- how we use cookies,
- the types of cookies we use,
- for how long they work and for what purposes they are used,
- how to change your cookie settings and opt-out, and
- how you can contact us.

Apart from cookies that are strictly necessary to enable you to move around the website and use its features, we will only use cookies if you have allowed us to do so by giving us your consent in our cookie-banner. Please be advised that if you do not allow us to use cookies, it may negatively affect your browsing experience.

## 2. Consent

By accepting our use of cookies, apart from necessary cookies, you consent to our use of cookies as described in this notice. You may at any time change or withdraw your consent to our use of cookies. Please see section 6 below for further information.

## 3. What is a Cookie?

We at RCT use cookies and similar technologies such as pixels, local storage and session storage (hereafter referred to as “**cookies**”), on this website.

Cookies are small text files with information that is stored on your computer, mobile or tablet, that contains data related to your visit to our website. Cookies allow the website to remember your preferences over a period of time and ensure that a website functions properly for you as you might expect it to. Some are necessary to make full use of the website's functionality, while others are used to enhance your user experience and facilitate navigation on the website.

There are different types of cookies. On the one hand, session cookies only last as long as your online session. This means that they will disappear from your computer or device when you close your browser. They are therefore also sometimes referred to as temporary cookies. Typically, session cookies are used to remember what a user put in their shopping cart when they are browsing a website. On the other hand, permanent cookies will stay on your computer or device after you close your browser. These types of cookies will expire according to the time specified in the cookie. You can see the specific duration of each permanent cookie in section 5 below.

Moreover, there are first party cookies, which are set by RCT, and there are third party cookies, which are set by a third party.

## 4. How and why we use cookies?

We use cookies to understand how you use this website, to enhance the functionality of this website and to optimise your experience.

# RCT's Cookie Notice

---

We use cookies and similar tracking technologies to provide you with the best user experience on our website, this includes Network optimisation, remembering your log in, allowing you to view embedded content, analysing visitor traffic across our site, providing you with relevant advertising content and remembering your cookie consent status. When visiting our site, we automatically gather and store certain potentially personal information such as your Internet Protocol (**IP**) address, your browser type, internet service provider (**ISP**), referring/exit pages, your operating system, date/time stamp, processor or device serial number and unique device identifier. We collect this information on an individual basis and in aggregate, or combined form. For further information about how we use your personal information, please see our Privacy Notice.

The website sometimes embeds content and sharing tools from social networks via third party cookies. Some of the third-party sites on which we advertise may drop cookies and similar technologies on both our websites and third-party websites. They use those cookies to store information about products and services in which you have shown an interest as you browse our website and other websites. The information from those cookies allows the third-party sites to display the most appropriate advertisements for you. In some cases, those cookies may lead to the third-party site showing our advertisements. RCT has no access to or control over these cookies or the data they collect. For further information about these cookies, please see information about these third-party sites in our cookie banner. We regularly scan our website using a third-party tool to maintain a record of the cookies we deploy.

Apart from necessary cookies, all other cookies are configurable and we need your permission to use them. Your permission and data will be stored no longer than 12 months, after that you will need to re-consent.

You can easily control how we use cookies on your device by adjusting cookies settings. To adjust and change your cookies settings, click on provided link to cookie banner or "floating cookie" at the website.

## 5. Detailed Information

### Strictly Necessary cookies

These cookies are required for the basic functionality of this website. These cookies make it possible for us to remember choices you have made, for example, what you have placed in your shopping cart. Also, necessary cookies are used to ensure that you are given the option to accept or reject cookies, block non-necessary cookies from working until you give consent and to remember your cookie settings and choices. You can set your browser to block or alert you about these cookies, but some parts of the site will not then work.

### Functional cookies

These cookies enable the website to provide enhanced functionality and personalisation. They are collecting information about your device and the settings you may configure, such as language and time zone. With this information, we can provide you with customised, enhanced, or optimised content and services. These cookies may be set by us or by third party providers whose services we have added to our pages. If you do not allow these cookies, then some or all of these services may not function properly.

### Performance cookies

These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site, our services, and our products. They help us to know which pages are the most and least popular and see how visitors move around the site. All information these cookies collect is aggregated. If you do not allow these cookies we will not know when you have visited our site and will not be able to monitor its performance.

### Targeting cookies

These cookies may be set through our site by our advertising partners. They may be used by those companies to build a profile of your interests and show you relevant adverts on other sites. They do not store directly personal information but are based on uniquely identifying your browser and internet device. If you do not allow these cookies, you will experience less targeted advertising.

### Social Media Cookies

These cookies are set by a range of social media services that we have added to the site to enable you to share our content with your friends and networks. They are capable of tracking your browser across other sites and building up

### 7. How to avoid cookies

If you at one point consented to the use of non-necessary cookies on our website, there is always the possibility to revoke or change the consent.

It is further possible to instruct your browser to refuse cookies from our website. Most browsers are configured to accept cookies by default, but you can update these settings to either refuse cookies altogether, or to notify you when a website is trying to set or update a cookie. Please refer to your browser instructions or help screen to learn more about these functions.

If you use multiple browsers and wish to block cookies or change or withdraw your consent, remember to do this in all browsers. Moreover, if you browse websites from multiple devices, you may also need to update your settings on each individual device.

Although some cookies can be blocked with little impact on your experience of our website, **blocking all cookies may mean you are unable to access certain features and content on the site.**

### 8. How we work with your privacy

Read more about our work to safeguard your privacy in our Legal Notice and our Privacy Policy.
