

One tool for all termination needs

Multi Connector Ratchet Crimp Tool Kit

The AusProTec™ Multi Connector Ratchet Crimp Tool Kit has been designed to supply a single tool for your termination needs.

With 7 sets of crimping jaws, each jaw pair slides into the crimper and is held in place by a detent / magnetic mounting assembly eliminating the need for fiddly screws and enabling easy tool alignment.

Features

- Durable ABS carry case
- 7 individual jaw sets
- Easy to install tooling
- Precision and wax-lost casting
- Finished with heat treatment (HRC 38°C- 45°C) and zinc phosphate surface treatment

Specifications

Terminates
